

Milton Manor Pet Spa & Resort Boarding Agreement
518-587-6673 Revised 8-21-12

I agree to pay for all services due by the date of checkout or the pet/s will not be released from Milton Manor Pet Spa & Resort.

By signing this contract and leaving the pet with Milton Manor Pet Spa & Resort, I certify the accuracy of all information given about my pet/s. I specifically represent that I am the sole owner or agent of the pet, free of all liens and encumbrances.

I understand that Milton Manor business hours are from 8:00am to 12:00pm and 3:00pm to 6:00pm 7 days a week, unless otherwise posted. I understand the charging policy as follows: check out time on any day is 12:00pm. If I pick my pet up after this check out time, I will be charged for a full day of boarding.

I understand that Milton Manor recommends my dog/s be bathed prior to departure if they stay more than 2 days and acknowledge that my dog/s may need to be bathed at home if I decline this service. I understand that baths are given the evening before my return. I am responsible to let Milton Manor know if my pick up date has changed to accommodate my dog/s bath.

I agree to release Milton Manor and its agents and employees from any and all liabilities or claim due to injury to myself, my pet, or any other property of mine, which may arise in any way out of services and/or products provided by or as a consequence of my association with Milton Manor. Milton Manor is not liable if my pet causes injury to him/herself, and is not liable for stress related illness that they are not in control of.

I release Milton Manor its agents and employees from any liability or claim due to the death of my pet, unless Milton Manor has been found negligent in the care of my pet. I understand that under no circumstances will Milton Manor's liability exceed the lesser of the current chattel value of a pet of the same breed or species or the sum of \$200.00 per animal.

Milton Manor is not responsible for lost or damaged toys or belongings brought into our facility. Customers may choose to bring in items at their own risk.

Infectious tracheobronchitis or "canine cough" is a highly contagious airborne pathogen. Dogs can contract airborne illnesses wherever dogs congregate. No amount of sanitation can prevent a dog from "catching" an airborne virus. Dogs that have never boarded before, puppies and dogs that are naturally prone to stress are at a higher risk. Although the Bordatella vaccine is available, there are some strains that it does not cover. For maximum protection against Canine Cough, your dog should be vaccinated at least 2 weeks prior to boarding if intranasal is given, and 4-6 weeks prior if injection is given. The vaccination is required every 6 months.

In the case of minor stress related symptoms such as: stomach upset, vomiting, loss of appetite, minor scratches, I give Milton Manor permission to administer to my dog the following over the counter remedies if necessary: Endosorb (Doggie Pepto Bismol), Imodium, Benedryl, Triple antibiotic cream, Iams canned dog food, broth.

If your pet requires any medication that can not be eaten with their meals, there will be a fee of \$2.00 per application added to your bill. This includes oral, eye, ear and topical medications.

If you are in need to our after hours services, there will be a fee of \$1.00 per minute added to your bill. This is available at the staff's discretion.

I understand that if my pet becomes ill and requires professional medical attention, Milton Manor in its sole discretion may engage the services of a local veterinarian and any and all expenses will be paid by the pet owner. I authorize Milton Manor to :
